EXPERIENCE

Multimedia Developer

Mosaic Learning, Columbia MD
April 2014 - present

Design, animate, and write code for interactive e-learning modules that teach technical concepts to trades workers.

Freelance Designer/Web Developer

Baltimore MD
January 2010 - December 2014

Worked with clients in a broad variety of industries to create and refine online and print campaigns. Work included print, web design, Flash development and banner ads.

Interactive Designer

AOL/Advertising.com, Baltimore MD
December 2006 - December 2009

Concepted, designed & coded interactive ads for AOL's online banner ad-serving network. Ran critique sessions and designer forums. Worked on occasional special presentations and events.

Creative Director

Pulse Entertainment, San Francisco CA
October 2005 - November 2006

Responsible for the creation of downloadable visual content for mobile phones, including animation and illustrations. Also: UI and web design, graphic design and marketing collateral, and Flash design.

Graphic Designer

SEIU United Healthcare Workers West, Oakland CA
March 2003 - September 2005

Responsible for design and production of literature, promotional material and signage for 130,000-member healthcare workers union. Projects included magazine design and illustration, web-site design, production of direct mail for political campaigns, newspaper ads, & creation of collateral for organizing campaigns.

Graphic Designer

San Francisco Examiner, San Francisco CA
February 2001 - March 2003

Designed ads and marketing materials for daily newspapers and oversaw the workflow of the ad department's evening shift to ensure press deadlines were met.
